

Aurora Field Termination Plug

- ▶ Angled plug and designed to apply under 30 meter channel test for datacenter applications.
- ▶ Excellent network cabling performance and meets the PoE Plus (IEEE 802.3at) requirements.
- ▶ Faster installation and terminate thicker cables on-site.
- ▶ The plug fits well with Cat.6A.
- ▶ The plug with a Screw-Fit boot for tool free installation and an IP20 anti-dust cap for protection.

CAT.6A

ACA-C6ASTP-STANDARD-TP	CAT.6A toolless plug, full shielded, screw-fit boot type, black color
ACA-C6ASTP-SHORTBODY-TP	CAT.6A toolless plug, full shielded, screw-fit boot type, short body
ACA-C6ASTP-DIRECTION-TP	CAT.6A patch cord component level, full shielded, 5-direction, screw-fit boot type
ACA-C6ASTP-5D5570-TP	CAT.6A component level toolless plug, full shielded, 5-direction, screw-fit boot fit cable OD:5.5~7.0mm, short latch, black color
ACA-C6ASTP-5D7095-TP	CAT.6A component level toolless plug, full shielded, 5-direction, screw-fit boot fit cable OD:7.0~9.5mm, short latch, black color
ACA-C6ASTP-5570-TP	CAT.6A component level toolless plug, full shielded, screw-fit boot fit cable OD:5.5~7.0mm, short latch, black color
ACA-C6ASTP-7095-TP	CAT.6A component level toolless plug, full shielded, screw-fit boot fit cable OD:7.0~9.5mm, short latch, black color
